P.C.

. We have heard the learned Counsel appearing for the parties.

2. We are of the considered view that the questions involved in the present writ petition are squarely covered by the facts and law by unreported judgment of the Division Bench of this Court in W.P.No.2159 of 2004 dated 22ndf March, 2007 (Insurance Policy Plus Services (India) Pvt.Ltd. and another Vs. The Life Insurance Corporation of India and another). The judgment squarely applies to the case as the circular in question as well as the legal controversy raised were identical to the present case.

3. With respect we follow the view taken and for the reasons stated in the judgment we see no reason to take any different view taken in the said writ petition. This petition is also disposed of in terms of the said judgment. The petitioners would be entitled to the same reliefs. We leave the parties to bear their own costs.

(CHIEF JUSTICE)
